

July 2022

## India-UK AMR Early Careers Researcher Network Bulletin

*Hello ECRs. Just a quick note to thank you all for your contributions at the mid-term event from delivering presentations to joining the discussion topics – we hope you enjoyed it. Below we have highlighted some upcoming ECR related opportunities as part of our India-UK programme*

### Drop-in Sessions

We are planning for the Monday drop in sessions to host specific programme discussions building on the topics discussed at the mid-term meeting. Timings will be confirmed via online diary updates

- Cross validation (Prof Kreft)
- India & global policy brief, review manuscripts (Prof Voulvoulis)
- Stakeholder engagement activities (Prof Connolly, etc.)

### ECR focused project update One Slide Event

Please join us in preparing & presenting a one slide update of your respective research projects. A meeting is currently being planned for October – stay tuned for more details

### Social Event

(Times via online diary update)

Our second online 'Gaming Event' will be hosted by Dr Emma Travis on Monday 12<sup>th</sup> Sept.

### Mini-Blogs

Our programme website is about to be launched and we are inviting ECRs to contribute mini-blogs to be published. These can be on a topic related to your interest in AMR – a great opportunity to showcase your profile and research!

### Mentoring

A peer-to-peer mentoring system is being implemented. This will facilitate the pairing of ECRs to help each other in aspects of career and research development. Please email your interest in applying to Kathleen by August 22<sup>nd</sup>.
